# Virtual Instruction

The District will participate in the Missouri Course Access and Virtual School Program ("Program"). The Program offers District students the opportunity to enroll in virtual school courses in a variety of grade level and content areas from Kindergarten through grade 12. The District may elect to offer specific courses as part of the program. Any on-line courses or virtual programs offered by the District prior to August 18, 2018 will be automatically approved for program participation, where the District course meets program requirements. Please contact the high school principal, Doug Miller, for more information.
